## Birthday Party Activities

### **Ceramics:**

Create and glaze your own clay creation! Choose from creating a hand built clay bowl, cup or name plate. All projects will be fired and available for pick up one week after the party.

### **Painting:**

Paint with acrylics paints on an easel just like a professional artist! Choose from painting two 5"x7" canvas panels with a symmetrical design that mirrors the other in different colors or paint one 8"x10" canvas panel with an abstract design or have your kids attempt a still life or landscape painting.

### **Printmaking:**

Have fun with ink where it is ok to make a mess! Have your kids decorate a tote bag with our fabric inks by stamping or painting, or make monoprints with ink on smooth plates and transfer it to paper. For ages 10 and up you can carve a print out of our easy to cut rubber printing plates.

### **Fiber Arts:**

Have fun with felting at your party! Kids can wet felt wool into crazy colored coasters or wall panels. Kids ages 10 and up can needle felt animals that are realistic or fantastical.

### **Additional Commemorative Activities Available:**

All commemorative projects are intended to be taken home by the birthday boy or girl.

- Participants can decorate and sign a 12" commemorative ceramic plate with colorful glazes for an additional fee of \$25. The plate is fired and ready for pickup one week later.
- Your guests can work together to create a masterpiece on an 16"x20" commemorative canvas with acrylic paints for an additional fee of \$15
- Together participants can decorate and sign a T-shirt with our fabric inks for the birthday person for an additional fee of \$15
